PSP CHECK LIST 10 OCTOBER – 2019 (2nd ED'N)

Title of the Thesis: …………………………………………………………..

Name & Deptt. of the Ph.D. Scholar: …………………………………………..

Name & Deptt. of his/her Research Guide: ……………………………….……

Name of the: Dean/Conjugate Dean to whom Draft Thesis was Submitted with Date…………………………………………………………………....................

Date of submitting the Draft Thesis to the Dir. (RES. Centre)……………………
………………………………………………………………………………………

Sr.No	FEATURE		
1.	The Thesis is having correct '' Student Declaration'' and '' Supervisor's Certificate''?	Y	N
2.	Thesis Title is appropriate to the work done?	Y	N
3.	Thesis size is about 200 pages?	Y	N
4.	For the investigative category of research type e.g. Education, Management, Sciences (Biological and Ancillary) Commerce, Sociology, Social work, Library & Information Science, Journalism and Mass Communication, Computer Applications etc. Chapter wise the Thesis has almost 10% pages for Ch.1-Introduction, 15% for Ch. 2- Literature Survey, 25% for Ch. 3 Primary Data Collection and Tabulation, 25% for Ch.4 selection of Research Tools, their application and data analysis, 20% for Ch.5 Results, their interpretation and societal benefits of the thesis work and finally, 5% for Ch. 6 References and Bibliography? Else for other type of research work, (e.g. Languages, Performing art, Politics, Philosophy, History, Geography, Law etc) size of Ch. 3,4,5 as describing the real work done for three type of creativities (new expression/phrase formation or new data compilation/consolidation or new insight achieved), the thesis composition is tailored for these chapters accordingly?	Y	N
5.	The chapter-1 (introduction) gives an effective overview of the subject starting from the Master Level concerned module up to the latest researches, motivation of the student for selection of the thesis title, a brief on expected results, Societal benefits and chapterisation of the thesis?	Y	N

6.	Chapter-2 on literature survey is in chronological order with critical review of the researches relevant to the Thesis Title so far, Crystallization of the problem definition and articulation of the Hypotheses to be tested etc?	Y ☐ N ☐
7.	Slandered procedure and tools have been identified and described in brief for data collection, storage, analysis and interpretation of the results?	N A ☐ Y ☐ N ☐
8.	In case of investigation type of researches e.g. for subjects mentioned in paper 4 all relevant primary and secondary Data tables, Analysis Tables, Results have been supplemented with appropriate, Histograms/ Cumulative Frequency Diagram/ Bar Charts/ Pie Charts/ behavioural-Phenomena graphs e.g.?	N A ☐ Y ☐ N ☐
9.	All the results have been described with their full interpretation in the conclusion wherein the creativity of the Ph.D. Scholar is fully evident?	N A ☐ Y ☐ N ☐
10.	In consultation with Ph.D. Supervisor having internet access to the NGB (DU) account for DrillBit / Check For Plag Plagiarism check up system or any other Plagiarism Detection System (PDS) the Thesis has been sanitated and is free from any Plagiarism?	Y ☐ N ☐
11.	Anywhere in the Thesis, if any text from any source document has been ditto copied, it is limited to 3 Sentence or a paragraph whichever is less and its body has been fully indented, italicised and its reference is published on the same page?	Y ☐ N ☐
12.	The reference of the above has been printed as a foot note on the same page giving full details of the Book/Research Paper/Conference Proceeding/Any Government or Corporate or any Agency Report/or Annual Report or the website?	Y ☐ N ☐
13.	References of any book include its Author(s), Publication Year, Title, Publisher Name with City, Chapter No. as relevant to the Thesis work?	Y ☐ N ☐
14.	Any Research Paper used in Thesis has been duly referenced with its Author (s), year, title, name of the journal, Page to Page------------of its publication?	Y ☐ N ☐
15.	Any conference proceeding used has been referenced as the name of the Author(s), year, title of the research paper name of the conference, with its number, Place page to page with last access date of its website ?	Y ☐ N ☐

16.	Any report used in the Thesis has been referenced as its year, title, owner, page to page along with its soft version details if any.
	    Any relevant website address is given of its web link (U.R.L) along with date of last access?
	                                                       ☐ Y ☐ N

17.	Where relevant, for data analysis, appropriate statistical tool set has been identified and used. to analyse the data and arrive at appropriate result? ☐ N A ☐ Y ☐ N
18.	The set of hypotheses formed are all NULL-HYPOTHESES ? ☐ N A ☐ Y ☐ N
19.	For any NULL-HYPOTHESES if rejected, next level hypothesis if relevant has also been tested. For ex. If NULL-HYPOTHESES as Salary prospect are found not same for qualifications of U.G, P.G and Ph.D., next level hypotheses is to test which level salary increase prospects dominate etc------ whether for carrier advancement from U.G to P.G level or from P.G. level to Ph.D. level. This is analysed first using x^2 test, ANOVA and then Post Hoc Anova? ☐ N A ☐ Y ☐ N
20.	The entire thesis looks to be well knit by the Ph.D. Scholar as one piece garland. No where either the flow of the ideas is disjoint nor unnecessary items seem to have been added. Thus the thesis does not suffer with defect of being a work having disjoint feature? ☐ Y ☐ N
21.	In regard to the above, expressions and contents are devoted to the audience of current Ph.D. Scholars and faculty members in allied research areas and not to the level of U.G. & P.G. level students? ☐ Y ☐ N
22.	Thesis does not have grammatical/syntactical errors? ☐ Y ☐ N
23.	Thesis does not have semantic errors. Nowhere any of sentences give a meaning which does not fit into the single thread woven series of appropriate words giving appropriate meaning? ☐ Y ☐ N
24.	The Ph.D. scholar through his/her thesis has advanced the current level of knowledge on the thesis topic or has made unique contribution and exhibited the expressive power for improved data, text arrangement / new formation of phrases or has gathered new data and its compilation/consolidation or has given a new insight on the topic chosen by a modern Ph.D. Scholar? ☐ Y ☐ N

25.	Based on the all above, fallowing is recommended on the instant draft Ph.D. thesis. (a) No PSP be organised as such, a thoroughly revised draft thesis be re submitted to Dir.(IQAC) Or (b) Draft thesis be revised thoroughly to have all option as N To become Y or N A and on recommendation of concerned Dean/Dir. (Research Centre), PSP me be organised? Or (c) Related revision be made in the thesis by the Ph.D. Scholar and on recommendation of concerned Supervisor, PSP may be organised.? Or (d) PSP may be organised for draft thesis as such.

Prof. R.C. Tripath
Dir. (IQAC)
Date…………

Dir. (Research Centere)
