Dated: 16-01-21

## ACTION TAKEN REPORT

IQAC 2019-20 in its 1st Meeting held on 6.8.2019 noted the efforts of Prof. R. C. Tripathi, Dir. (IQAC) for his conducting course work of 39 CRET-2018-19 IInd batch Ph.D. students. All of these students were motivated by him with due guidance to arrive at their preferred Ph.D. thesis title on their own so as to approach their respective HODs after completion of the course work for allotment of their topics and supervisors. This list was finally circulated also to all 75 in house Ph.D. supervisors of the NGB (DU) suggesting for its consideration as the first choice of the respective students.

All of above students approached their HODs accordingly. For some of them the topics have accordingly been allotted and some others are still in pipe line. The final scene is expected to emerge by the end of the current Academic Year 2020-21.

Name of all inhouse 75 Ph.D. supervisors recommended through this IQAC meeting was informed to INFLIBNET who finally provided them access to the URKUND plagiarism detection system to keep the research activities free from plagiarism.

Again, as decided in this IQAC meeting, hereafter all Ph.D. scholars adopted newly introduced "Student's Declaration" and "Supervisor's Certificate" as part of their Ph.D. thesis w.e.f. 1 Sep. 2019 owning the responsibility of plagiarism in their thesis, if any, on their ownself. The office order bearing no. NGBV-II/AC22/IQAC2019-20/1 dated 26.8.2018 to this effect was thus duly implemented.

  
  
(Prof. R.C. Tripathi)  
Director-IQAC
