Detailed Report on Recruitment Drive by Naandi Foundation

Date: 29th June 2024

With the approval of the Honorable VC/Pro VC, the CRC Cell organized a recruitment drive for B.Ed students in collaboration with the Naandi Foundation at the Civil Lines Campus. The event was a significant success, marked by the diligent efforts of the Naandi team who conducted a comprehensive pre-placement talk followed by personal interviews.

Key Highlights:

Pre-Placement Talk: The Naandi Foundation team delivered an informative and engaging pre-placement talk, providing insights into the organization and the opportunities available.

Personal Interviews: Following the talk, personal interviews were conducted. A total of five students were shortlisted for the final telephonic HR interaction.

Future Plans:

In response to our request, the Naandi Foundation team has agreed to extend the recruitment drive beyond the initial date. The portal for registrations will remain open until 5th July. B.Ed students who were unable to participate in the initial drive can register and participate in the subsequent session, which will be held at the university campus after 1st July.

Memorandum of Understanding (MOU):

We have also agreed to sign a Memorandum of Understanding (MOU) with Naandi Foundation to facilitate more collaborative activities in the future. This MOU aims to strengthen our partnership and provide ongoing opportunities for our students.

Coordination and Management:

The drive was expertly managed and coordinated by:

- Dr. M.V. Sheikh, Campus Director
- Dr. Devendra Yadav, Assistant Professor
- Mrs. Shivani Srivastava
- Dr. B. B. Singh
- Mr. Sandeep Anand
- Sunny (Office Boy)

Their dedication ensured the smooth execution of the event.

Commitment to Regular Activities:

The CRC Cell is committed to organizing such recruitment activities at regular intervals, aiming to create more successful stories and opportunities for our students.

We appreciate the support and cooperation of all involved and looks forward

to continued success in our collaborative efforts with the Naandi Foundation.
